**THE SPIRIT OF WISDOM**

And our singing shall build  
In the void's loose field  
A world for the Spirit of Wisdom to wield;  
We will take our plan  
From the new world of man,  
And our work shall be called the Promethean.

PERCY BYSSHE SHELLEY

**CIVILIZATION OF THE FUTURE**

East and West are no more than names. Human beings are the same everywhere. He who wants to will conduct himself with decency. . . . If we look into the future, is it not a heritage that we have to leave to posterity, that all the different races commingle and produce a civilization that perhaps the world has not yet seen?
